

# KRAUT NEVER TASTED SO GOOD

## Enjoy 4 great flavors!

Foodservice pros are expanding their offerings with shelf stable poly bags packed with flavor and health benefits. And the packaging is convenient, sustainable, and always packed fresh.

**Sriracha** - Bold, spicy, and earthy, this flavor profile is for progressive taste buds that appreciate some heat.

**Curtido** - Raw fermented cabbage combined with carrots, onions, jalapeños, and savory spices.

**Dill & Garlic** - Fresh-cut dill flavor with subtle roasted garlic notes, this naturally mouthwatering team adds garden fresh flavor and tang to any dish.

**Craft Beer** - The rich, malty taste captures the excitement of today's skyrocketing craft beer trend; this genuine flavor thrills all senses and shines with substance and soul.

# SAVERNE®

## ARTISANAL KRAUT

## INTRODUCING SAVERNE SHELF STABLE

The most convenient kraut ever.

For foodservice pros, having sauerkraut available in shelf stable poly bags means three things:

### 1 Convenience

- No refrigeration required before opening
- Less bulky, lighter case weight
- No sharp edges after opening
- 2 lb. pouch fills a 1/6 Cambro® container
- 1 lb. pouch fills a 1/9 Cambro® container

### 2 Quality

- Always fresh packed, never cooked
- Bright color and crisp texture
- Appetizing presentation

Compare to cans:  
this packaging waste  
is from 155 pounds  
of sauerkraut.

### 3 Sustainability

- Less packaging waste by weight and volume
- Less disposal costs and landfill use
