FRESH REFRIGERATED KRAUT

YOUR CUSTOMERS DEMAND FRESH, INCREDIBLE KRAUT.

No longer is sauerkraut just a topping for sausages or limited to Reuben sandwiches. Today, kraut is a versatile and affordable recipe ingredient your customers can use to enhance so many meals. Its flavor profile offers tartness and depth, while the poly bag packaging provides crispness and convenience. Plus, kraut's health benefits can't be beat—antioxidant rich and promotes good digestive health.

Merchandise sauerkraut with other foods for easy add-on sales: pork, salads, pizza, and tacos are all better with kraut. Offer your customers convenient 1-lb. and 2-lb. poly bags of America's leading kraut brand.

SHELF-LIFE: 12 months (Organic—9 months)
