

SHELF-STABLE SAUERKRAUT

THE FINEST KRAUT YOUR CUSTOMERS WILL CRAVE.

In cans or jars, this true superfood is what today's customers are demanding more and more. Kraut's health benefits can't be beat, and the versatility provides what your customers want—a savory burst of flavor that complements a variety of foods.

Silver Floss is the sauerkraut brand consumers across the country choose first. Of course, it's from the world's largest producer of kraut. You can promote kraut with other foods for easy add-on sales: pork, salads, pizza, and tacos are all better with kraut. Offer shelf-stable sauerkraut in consumer-friendly packaging (see back for options).
